

*Ihemi partnership committee responsible for student selection along with Juli & Bo Skillman*

**What an honor it is to represent Christiania and each student sponsor as we see, meet and encourage these grateful young adults.**

It is a part of our Saint Paul Area Synod - Bega Kwa Bega coordinator responsibility to visit schools regularly. This is done in support of your sponsorships and ensure money is being properly utilized. As we meet Ihemi students (among the other 67 partnered congregations) we get special "Holy Goosebumps" over the honor we have of representing you and showing/seeing Christ's love in action. We always try to help them understand sponsorship money comes at a sacrifice to the donor and the best way for them to show gratitude is to study hard and be a contributing Christian within their community when finished.

Thank you for that incredible honor!

## First things first ... THANK YOU for showing Christian(ia) love!!

### Student sponsorships

Many of you have been sponsoring students for up to 12 years now; your support is making a real difference in more ways than you will ever know. Attached you can find an overview of what some of "our" Ihemi students are doing today. We hope you can support a student (or more than one) for 2015.

**If you are able to contribute for school year 2015, please make \$385 check (per student) payable to Christiania Lutheran Church and clearly indicate "Ihemi Student sponsorship". These need to be in by November 23, 2014.**
